About **Golden Gate University, San Francisco**

Golden Gate University, a private nonprofit university in the heart of San Francisco's financial and high-tech district, empowers working adults to achieve their professional goals with nationally renowned undergraduate and graduate degrees and certificates. Founded in 1901, GGU has been a leader in online education for nearly three decades, and its programs offer maximum flexibility for modern students. With a primary campus in San Francisco, GGU also has teaching locations in Silicon Valley and Seattle. GGU graduates join nearly 70,000 alumni. GGU has been repeatedly ranked as #1 in the United States for working professionals based on superior flexibility and career outcomes for students.

Life at Golden Gate University - San Francisco

The GGU campus is in the heart of San Francisco's thriving high-tech and financial district, an epicenter of global innovation. With neighbors like Salesforce, LinkedIn, Airbnb, Pinterest, and Twitter, a GGU degree helps unlock opportunities with the world's leading employers. San Francisco consistently ranks among the best cities in the U.S. and the world. Home to a booming economy, delightful weather, world class food, arts and culture, plus endless options for active outdoor living, the Bay Area is one of America's most popular cities to visit, work, and live. Our notable alumni are leaders in business, tax, law, technology, government, healthcare and higher education across the globe.

Scholarships offered by

GOLDEN GATE UNIVERSITY

SAN FRANCISCO

upGrad

GGU has been at the forefront of making higher education affordable and accessible to all, primarily working professionals. We prepare graduates to lead and serve through high-quality, practice-based educational programs.

Since our first San Francisco night classes in 1901, GGU has been a supporter of self-made individuals. GGU scholarships are available for students who seek to gain a new perspective on the changing landscape of business administration.

\$100M

upGrad

The scholarship helps motivated students gain industry-relevant knowledge and transferrable skills that employers want. Today, fewer than 30 million Indians pursue advanced degrees. Online + hybrid education is the real answer for working professionals who want to advance their careers with a degree from a San Francisco-based university.

Program Information

The **GGU Master of Business Administration (MBA)** program will advance your leadership skills and business knowledge using an activity-based learning approach. Our faculty members are seasoned professionals in their respective fields and will prepare you to lead in today's complex business environment.

The GGU MBA builds business decision making and leadership skills that provides an integrated perspective of management and allows you to tailor your program with one of several concentrations to meet your interest and goals.

Since the founding of its MBA program over half a century ago, GGU has pioneered evening and online programs for working professionals to achieve their career objectives. You will proceed at your own pace in deciding how many courses to take in a given trimester and study fully in-person, completely online or a combination of both.

Program Highlights

Accreditation

GGU is accredited by WASC Senior College and University Commission, the organization that accredits universities in California and Hawaii, including Stanford, University of San Francisco, UC Berkeley, UCLA and more.

Live Interactive Classes

Academic support offered from faculty members, teaching assistants, and your peers across the world.

San Francisco Business Leaders

Benefit from direct and personal interactions with GGU scholar practitioners based in California, the world's fifth largest economy.

Affordable Fees

Through hybrid learning and available scholarships, students can reduce their fees for a GGU masters degree by up to 70% off the cost of a full-time, on campus masters degree.

Developing Global Leaders

GGU's 70,000+ alumni include mayors, NASA astronauts, members of the C-suite of leading global organizations, entrepreneurs, and legal experts.

Skills Based Curriculum

Prepare to tackle real world business problems with a unique curriculum that incorporates theory alongside practical and relevant industry knowledge.

Student Learning **Outcomes**

Graduates of the Master of Business Administration program will have the knowledge and skills to:

- Demonstrate a general management “holistic” perspective
- Demonstrate managerial and leadership skills, such as teamwork, critical thinking and problem solving, communications and presentations, self-awareness
- Master and apply general management analytic processes and tools for decision making
- Integrate strategic business objectives within competitive industry dynamics
- Integrate strategic business objectives within the socio-political-economic-ecological-global context
- Understand functional areas’ impact on business and departmental interaction issues
- Demonstrate integrated business level planning
- Demonstrate an understanding and ability to identify the ethical, environmental, and social implications of business issues and formulate appropriate responses

Onshore Alumni **Benefits**

Our support does not end up once you board a flight to your study destination but also continues in the University you join. Once you reach the University, you will be provided following additional support by upGrad abroad:

upGrad Abroad Onshore Buddy

Entering a foreign land can be a blissful experience when one knows that someone is always there to assist in attuning to the culture and other important aspects related to the country. With upGrad abroad courses, the students will be entitled to one such service which is onshore upGrad abroad buddy.

As the name suggests, the onshore upGrad abroad buddy will extend the support in many ways like helping them with the orientation session, arranging the city tours, guiding you with the local visa process, finding the accommodations, city registration, opening a bank account, and other mandatory services.

Not only this, the onshore buddy will organize insightful sessions on destination country cultures so that the students can easily get along with the local students at the university. The onshore buddy will extend his support in finding part-time work at the university or outside University (if allowed) and providing guidance on how to apply for a post-study work visa/OPT (optional practical training).

Extended upGrad Career Services

There are also extended career services offered by upGrad abroad and that include building a strong resume, organizing mock interviews, and providing guidance on the best practices to find onshore jobs.

Alumni Portal

As an upGrad abroad student, the students are entitled to access the Alumni portal where they can build a professional network with other upGrad abroad Alumni for assimilating information related to finding jobs or social integration.

upGrad Alumni Discount

Under the upGrad Alumni discount, the students can avail of great discounts on the courses that they would like to take up in the future which can help them in upskilling their careers and suit their resume for jobs abroad.
