

Executive Programme in Sales and Marketing (EPSM)

Batch 05

12 Months | Live + Online | ₹2,00,000 + GST

Introduction

The Evolving Landscape of Marketing and Sales

In 2024, the marketing and sales landscape is undergoing significant transformation, driven by technological advancements and evolving consumer expectations. Digital channels have become the primary means of engagement, with AI and big data analytics playing pivotal roles. AI enables businesses to analyse vast amounts of data, offering deeper insights into consumer behaviour and allowing for more precise targeting and personalisation.

Explosive Growth in the Digital Marketing Sector

The digital marketing sector in India is experiencing unprecedented growth. The market size, which was around USD 5.15 billion in 2023, is projected to grow at a compound annual growth rate (CAGR) of 30.2%, reaching USD 55.37 billion by 2032.

2023  USD 5.15 billion

2032  USD 55.37 billion

Source: (expertmarketingresearch.com)

This growth is driven by increased internet penetration, the rise of e-commerce, and the adoption of advanced technologies such as AI and big data analytics.

How Sales and Marketing Create a Powerful Synergy Together

Despite their differences, both functions are crucial for business growth and customer satisfaction. Sales and marketing, though distinct in their functions, are increasingly interdependent in 2024. Marketing focuses on creating awareness and interest, employing long-term strategies to build brand loyalty and attract potential customers. Sales, on the other hand, centers on direct interactions to close deals and drive immediate revenue. When aligned, they create a powerful synergy that enhances the customer journey from awareness to purchase, leading to better business outcomes.

AI's Role in Sales and Marketing

AI is reshaping how we sell and market. From insights to automation, here's how it's making a difference:

Know Your Customers Better: AI dives into data, uncovering what makes your customers tick, so you can connect more effectively.

Personalise Like Never Before: Tailor your marketing with AI-driven recommendations that create a one-on-one feel, all at scale.

Smarter Sales Strategies: AI helps predict customer needs, allowing your sales team to strike while the iron's hot.

Automate the Mundane: Let AI handle repetitive tasks, so you can focus on what truly matters: building relationships.

Stay Transparent with Ethical AI: Use AI responsibly, keeping data privacy top of mind to build trust with your audience.

Explore What the Programme Offers

In today's fast-paced world, having a great product isn't enough. Success demands meeting customer needs and effectively communicating value. The **Executive Programme in Sales & Marketing (EPSM)** by **IIM Indore** is a 360-degree course designed to transform your approach.

Admission Criteria

The selection will be based on candidate's profile evaluation – educational qualification, allied experience, Statement of Purpose – subject to meeting eligibility criteria.

Attendance Criteria

A minimum of 75% attendance is a prerequisite for the successful completion of the programme. Participants may take leave on account of emergencies, subject to the approval of the Programme Coordinator. For less than 75% attendance, grade cut as per the norms will be applied.

Assessment and Evaluation

Performance of participants will be monitored on a continuous evaluation basis through quizzes, assignments, tests and examinations. The participant is required to score minimum marks/grades as decided by the Institute from time to time to complete the course.

Alumni Status & Benefits

The participants who will complete the programme successfully will be eligible for the Executive Education Alumni status of IIM Indore. They will require to apply separately along with the necessary fee to register their name. Current alumni membership plans are as follows:

2-year membership	₹ 1000/- + applicable taxes
Lifetime membership	₹ 10,000/- + applicable taxes

Benefits available to Executive Education Alumni:

- Communication of brochures and newsletters from IIM Indore
- Access to the IIM Indore Campus Library (onsite access only)
- Official email ID of the institute.

Disclaimer:

Mere successful completion of the programme, application submission, and fee does not entitle a participant to be eligible for executive education alumni status. IIM Indore reserves the right to confer or withhold executive education alumni status.

IIM Indore reserves the right to modify the above conditions at its discretion at any time without notice.

Only the courts at Indore, India will have the territorial jurisdiction to try any disputes arising in respect of the Executive Alumni membership being granted.

The Prestigious IIM Indore Certificate

- Candidates who have successfully completed will receive a 'Certificate of Completion' from IIM Indore.
- Successful participants will also be accorded IIM Indore Executive Education Alumni status.

*All certificate images are for illustrative purposes only and may be subject to change at the discretion of IIM Indore.

Faculty Coordinator

Prof. Jayasimha K R

Prof. (Jai) Jayasimha is a Professor of Marketing. Prior to joining IIM Indore, he has been a faculty member at The Institute of Management Technology, ICFAI Business School (IBS Hyderabad), PES Institute of Technology (PESIT, Bangalore) and Kirloskar Institute of Advanced Management Studies.

Prof. Jai is a recipient of the 'Best Teacher Award' at IIM Indore. He is a recipient of "Prof Marti Subramanyam Award" along with Dr. Rajeev Verma for their joint research on Service Innovation. He has attended the Global Colloquium on Participant Centric Learning (Glocoll) at the Harvard Business School (HBS), Boston, MA. He has attended the IPSA-NUS Methods School at National University of Singapore (NUS).

At IIM Indore, Prof. Jai has been the Chair of Executive Post Graduate Programme in Management (EPGP), which is a full-time, post-experience, long duration programme. He was instrumental in partnering with McCombs School of Business, University of Texas at Austin for the EPGP International Immersion. He has been the Chair of the PGP Review Committee, which carried out a comprehensive review of the flagship PGP programme. Besides being the Marketing Area Chair, he has also chaired the Faculty Workload Norms Committee.

As a visiting faculty, he has taught in the flagship programmes of the Indian Institute of Management Udaipur, Institute of Management Technology (IMT), Dubai, UAE, and Indiana University of Pennsylvania (IUP). He has also been invited to take sessions at the National Academy of Direct Taxes (NADT), Nagpur.

He has taught in several Management Development Programmes for the executives from the private and public sectors. He has coordinated the month-long GMP for the probationary officers of The Indian Railways Institute of Transport Management. He has also coordinated the Advanced Management Programme (AMP) for Senior Officers of Indian Army. His areas of research interest include operating role of customers, service recovery, advocacy marketing, and business history.
